RE: Confirmation of the following Repair Development Approval:

Approval of the Facility for the Outer Wrapper Assy, Dome Assy and Outer Wrapper Lip replacement on the Combustion Liner of the PT6A, PT6B and PT6T models to the listed part numbers in the attached appendix.

Dear Sirs:

This is to confirm that,

Atech Turbine Component Inc.

1, St Mark Street
Auburn, MA

have demonstrated to our satisfaction that they have the necessary knowledge, skills, facilities and controls to successfully perform **the Outer Wrapper Assy, Dome Assy and Outer Wrapper Lip replacement** on the part numbers listed in appendix 1.

The demonstrated processes are defined as **CL-1063B & CL-1043G** Rev: **00** dated **26 November 2007**, a copy of which has been deposited with Pratt & Whitney Canada Corp., Repair Development. This copy will be the document of reference in any dispute. Significant changes to, or deviations from, this process are not permitted without the written approval of the Pratt & Whitney Canada Repair Development Manager. Refer to appendix 2 for list of significant changes related to this processes.

ATECH Turbine Component, Inc

The intent of processes **CL-1063B & CL-1043G** will be reflected in the applicable engine Overhaul Manuals or CIR Manual as applicable. This letter is an authorization to proceed pending issue of the above revision. Use of this authorization is subject to compliance with local airworthiness authority requirements and all certificates issued for a given part repaired with the subject process must reflect the process number. Any subsequent part numbers introduced beyond those indicated in this letter require P&WC's specific approval.

Failure to maintain satisfactory controls and quality, to provide adequate service, or to adhere to the executed Repair Process Agreement, could result in loss of this approval and deletion of the supplier's name from the Overhaul Manuals or CIR Manual as applicable.

Revalidation of this approval will be required after two (2) years of inactivity.

Yours truly,

PRATT & WHITNEY CANADA CORP
